Honorable Richard M. Berman  
United States District Judge  
United States Courthouse  
500 Pearl Street  
New York, NY 10007

Dear Judge Berman:

I am writing to say that I have been counseling Dinesh D'Souza for one hour per session on a weekly basis for the past eight (8) months. During this time I have administered two psychological tests: (the MMPI and a personality test.) Both tests showed him to be in the normal range. He is not suffering from any disorders whatever.

Mr. D'Souza has made very good progress during our time together. In my opinion, he has come to a very good understanding of what caused him to end up in your courtroom. He is genuinely contrite about what he did, and I am convinced that he is not going to do it, or anything like it, again. I also believe he has a lively intelligence, a fundamental decency, and a well-developed self-awareness that will stand him in good stead in the future. In my professional opinion, the purposes for which the court ordered him to do counseling have been achieved. I am pleased to have been part of this process, and of assistance to you and Mr. D'Souza. I believe he is quite ready to resume his regular life and active schedule without further psychological intervention at this point.

Sincerely,

*Marilyn M. Marshall*
